## **Policy Manual Overview & Introduction**

An organization is subject to public law and such other rules it adopts to govern its operation. The rules governing the Libertarian National Committee, Inc. are as follows and supersede each other in the order listed:

1. Corporate Charter: The legal instrument conforming to state and federal laws. The Libertarian National Committee, Inc. is incorporated in the District of Columbia and is subject to its laws.
2. Bylaws: Prescribe how the organization shall function. They may not be suspended, except for clauses that provide for their own suspension or clauses clearly in the nature of rules of order.
3. Special Rules of Order: Relate to rules for orderly transaction of business that differ from those contained in the adopted parliamentary authority.
4. Rules of Order: Relate to orderly transaction of business. These are usually contained in the adopted parliamentary authority, which in our case is the current edition (12<sup>th</sup>) of *Robert's Rules of Order Newly Revised* (RONR).
5. Standing Rules: Relate to details of administration. They are adopted as the need arises.

This policy manual is a compilation of the rules governing the Libertarian National Committee, Inc. not already reflected in its Corporate Charter, Bylaws, or Rules of Order.

The following terms may be used throughout this document:

“ExD” is Executive Director.

“LNC” is Libertarian National Committee.

“LNC Members” are Officers, At-Large members, and Regional Representatives.

“LP” is Libertarian Party.

“LPHQ” is Libertarian Party Headquarters.

“RONR” is Roberts Rules of Order, Newly Revised.

## **Article I. Special Rules of Order & Standing Rules**

Special Rules of Order are rules for orderly transaction of business (i.e., relating to parliamentary procedure) that differ from those contained in the adopted parliamentary authority. They are superseded only by the Bylaws, the Corporate Charter, and any applicable procedural rule prescribed by federal, state, or local law, unless the rules in such documents specifically provide for their own suspension.

A Special Rule of Order may be adopted, amended, rescinded, or suspended. Adoption, amendment, or rescission requires (a) a two-thirds (2/3) vote with previous notice, or (b) a vote of a majority of the entire membership of the LNC. Suspension requires a two-thirds (2/3) vote of the LNC. Rules that have their application outside of the session that is in progress cannot be suspended but can be rescinded or amended (RONR (12<sup>th</sup> ed.) 10:45, 25:2, 25:13).

Standing Rules relate to details of administration. They are superseded only by the parliamentary authority, Special Rules of Order, Bylaws, the Corporate Charter and any applicable procedural rule prescribed by federal, state, or local law, unless the rules in such documents specifically provide for their own suspension.

A Standing Rule may be adopted, amended, rescinded, or suspended. Adoption requires a majority vote. Amendment or rescission requires (a) a majority vote with previous notice, (b) without notice a two-thirds (2/3) vote, or (c) a majority of the entire membership of the LNC. Suspension requires a majority vote of the LNC, but rules that have their application outside of the session that is in progress cannot be suspended (RONR (12<sup>th</sup> ed.) 25:12-13).

### **1) Participation by LNC Alternates at Meetings**

---

Free substitution of Alternates for Regional Representatives at LNC meetings is permitted.

### **2) Representation of Region-Less States**

For any affiliate not in a region, the Vice-Chair will serve the same intermediary role that Regional Representatives serve for the affiliates in their respective regions.

### **3) Executive Committee**

---

The Executive Committee shall exercise all powers of the LNC between LNC meetings, when urgency demands a more immediate time frame than when the LNC can next meet, except for amendment of the LNC policy manual or amendment of the budget beyond the limits specified elsewhere in this policy manual. It shall further make decisions specifically delegated in this Policy Manual. Notwithstanding, the LNC reserves the right to exercise its authority through electronic mail ballots and to rescind decisions of the Executive Committee.

### **4) Removal from Office**

---

A Party Officer or At-Large Member may be disciplined as per the Bylaws Article 6.7 and 7.5, for cause, by the trial procedure outlined in the parliamentary authority. This requirement shall be modified by the following rules.

1. At least fourteen (14) days' notice shall be given to the accused.
2. The accused's rights of membership, except as they relate to the trial, may be suspended by a two-thirds (2/3) vote upon the adoption of the charges and pending the disposition of the charges.
3. The accused may appear personally or by counsel. Defense counsel shall be a sustaining member of the national Libertarian Party, as per Bylaws Article 4.4.
4. Testimony and deliberations, as being "pending or potential litigation," as per Bylaws Article 7.15, may be held in Executive Session. The LNC may, however, order a transcript or recording be made of the session even if in Executive Session.
5. The LNC may act on the report of an investigatory committee at any point prior to the final adjournment of the next Libertarian National Convention.
6. Prior to the commencement of the trial, the LNC, by majority vote, adopt a resolution to govern the trial specifying details not inconsistent with the procedures described in the Bylaws, rules in the Policy Manual, or the parliamentary authority.

**3) Open Meetings**

---

LNC meetings are open to Party members, except while in Executive Session. Non-Party members may be excluded upon a majority vote of the LNC.

**4) Executive Sessions**

---

The LNC or any committee may enter into Executive Session only in compliance with this special rule of order. The motion to enter Executive Session must list all reasons for doing so from among the following:

1. Personnel matters
2. Contractual negotiations
3. Pending or potential litigation

No action can be taken while in Executive Session. Discussion of action that may be taken in Open Session can occur. No recording shall be made or minutes.

Any member who is unwilling to commit to maintaining confidentiality regarding any particular Executive Session is obligated to excuse themselves from the entire Executive Session and to request that the Secretary note their absence from the Executive Session in the minutes of the meeting. A participant in an Executive Session may publicly disclose information discussed in Executive Session, if the same information is publicly available from other sources, not as the result of a participant's misconduct, and the participant does not reveal that it was discussed in Executive Session; or the LNC, and all the participants in the Executive Session, first consent to its release.

**5) Meeting Minutes**

---

In addition to the requirements articulated by RONR, the meeting minutes shall include the following:

1. Copies of reports submitted for review as appendices.
2. The following aspects of each mail ballot conducted since the prior meeting and reported by the Secretary at that meeting:

This requirement may be satisfied by including this information in the Secretary's Report appended to the minutes.

LNC or Executive Committee Meeting minutes may be promoted from draft status to official during the time between meetings as follows:

**LNC Policy Manual**  
**SPECIAL RULES OF ORDER AND STANDING RULES**

---

- Corrections, clarifications, and changes to the draft minutes may be submitted for the Secretary's consideration for a period of fifteen (15) days following the distribution of the draft minutes. The Secretary shall distribute an updated version of the draft minutes not later than seven (7) days following the end of that submission period. If no changes are distributed during that period, the minutes shall be promoted from draft to final.
- The updated version shall be deemed official if no LNC Member challenges the content to the Secretary within seven (7) days of the distribution of the updated version. Only Executive Committee members can present challenges to Executive Committee minutes. Any additional changes will be made by the Secretary within two (2) days and distributed for an additional seven (7) day review period. This process shall repeat until there are no challenges or the next regular LNC meeting, whichever comes first.
- These auto-approval provisions are void if the Secretary fails to distribute the draft minutes of a meeting within twenty (20) days after that meeting or fails to distribute updated versions as described above.
- The Secretary shall send an official copy of meeting minutes to staff within seven (7) days of the promotion of those minutes from draft to official status for posting on the Party website and shall provide a final copy to all LNC members.

If the minutes are not submitted through the auto-approval process previously described, draft minutes must be presented for approval at the next regular meeting after the auto-approval time period expires.

**6) Electronic Mail Ballots**

---

1. Notification of an electronic mail ballot shall be made by the Secretary or Chair by electronic mail within two (2) days of the question being submitted by the Chair or cosponsored by a sufficient number of LNC members. This notification shall not include an accompanying argument for or against passage of the Electronic Mail Ballots shall be limited to voting only. This rule can be suspended at the request of a committee member, absent the objection of more than 1/3 of the committee being sent in reply to the request. Objections must be sent within forty-eight (48) hours of the request for debate within the electronic mail ballot. If the forty-eight (48) hours elapse without sufficient objections, then debate shall be allowed for that ballot. An LNC Member may change their vote on an electronic mail ballot, provided that the change is received by the Secretary by the deadline for return of ballots or the entire LNC has either voted or expressly abstained, whichever comes first. In the event that a Regional Representative expressly abstains, that Regional Alternate's vote shall not be counted.
2. Any member of the Executive Committee may object to the consideration of any main motion or incidental main motion. This may be at any time from until twenty-four (24) hours after the motion ballot has been started. Any member also objecting shall have twenty-four (24) hours from the first objection to also post, "I object to the consideration of this motion." A majority of the entire membership of the Executive Committee shall adopt such a motion.
3. Any member of the LNC may object to consideration of any original main motion to incidental main motion. This may be done at any time from when the co-sponsors are

The member objecting shall post “I object to the consideration of this motion,” on the thread containing the motion. Any member also objecting shall have twenty-four (24) hours from the first objection to also post, “I object to the consideration of the motion,” A majority of the entire membership of the LNC shall adopt such a motion.

**7) Electronic Meetings**

---

1. The term “electronic meeting” within these electronic meeting rules shall be construed to include teleconferences and videoconferences.
2. The term “committee” within these electronic meeting rules shall be construed to include both the LNC (as the board of the Libertarian Party) as well as committees.
3. Electronic meetings may be called by either:
  - a. The committee Chair, or
  - b. One-third (1/3) of the committee members or two (2) committee members, whichever is greater.
4. However, the call of an electronic meeting can be canceled if a majority of the committee members email a cancellation request to the entire committee prior to the scheduled time of the meeting.
5. Each committee member calling for an electronic meeting must do so by emailing the entire committee and specifying the date of the meeting, time of the meeting, and the topic(s) to be addressed. Meetings must be so called no fewer than two (2) days in advance for committees with fewer than ten (10) members, or five (5) days in advance for committees with ten (10) or more members. These time limits do not apply to the LNC's Executive Committee, the LNC's Advertising and Publications Review Committee, or the Judicial Committee. The LNC's Executive Committee may meet with one (1) day notice.
6. When a sufficient number of people have issued a call for an electronic meeting, the committee Chair or Secretary shall issue a notice of the meeting to each member and alternate of the committee. In addition to the standard notice content, the meeting notice shall describe how to participate in the meeting.
7. All participants legally consent to having the meetings recorded, should the committee opt to do so.
8. Electronic meetings are special meetings such that only the topics listed in the call of the meeting may be considered during the meeting.
9. A person eligible to vote who was present during the debate of an original main motion but who lost their connection to the meeting may still reconnect to the meeting and cast their vote on the motion no more than five (5) minutes after the announcement of the vote tally.

**8) Emergency Meetings During a National Convention**

---

If an emergency matter arises during a national convention, the LNC may meet immediately upon either the call of the Party Chair or any two (2) officers. The meeting may be held in a hybrid electronic/in-person format only if that is necessary to achieve quorum, otherwise it will be held solely in-person. An announcement of such a meeting shall be made on the LNC

Staff may seek advance advice from the APRC on any proposed communication, and the APRC may provide advance guidance on their own initiative. The APRC is not required to provide advance review of any social media content or items that are of an urgent or non-substantive nature as determined by the Executive Director or the LNC Chair.

All other official public communications must be sent to the APRC in advance and given three (3) hours to review. This time frame may be shortened if the entire APRC approves the communication earlier. If a majority of the entire APRC disapproves a communication with specified reasons within its scope, the communication will not be sent. The LNC Chair may override this disapproval.

All public communications may be subject to later review or reconsideration upon receipt of a credible written complaint from any Party member that is emailed to staff or an LNC member. All complaints should be promptly forwarded to the LNC Chair and the APRC Chair. ## **Section 202 — Ballot Access Committee Policies & Procedures**

### **1) Executive Overview**

---

The Ballot Access Committee (BAC) currently has no policies or procedures in place regarding the hiring and paying of signature gathering contractors and vendors. This is problematic because it makes compliance and passing third-party audits difficult. Additionally, there is no training, coordination, or expectation surrounding state affiliate points of contact or volunteers. A lack of process has led to confusion, miscommunication, frustration, unnecessary spending, budget issues, and inaccurate encumbrance estimates being presented to the Libertarian National Committee (LNC). This document is intended to alleviate many, if not all, of the aforementioned issues.

### **2) Vendors/Petitioners**

---

Petitioners and vendors (whether internal or external) currently appear to be unaware of expectations surrounding their payment and reimbursement (the latter if applicable), i.e., who makes approvals, the needed documentation, expectations, points of contact, etc. As a result, the following recommendations are being proposed:

### **3) Required Criteria For Payment**

---

- Signed contract w/full terms (between the petitioner/vendor and the LNC Chair)
- Current W-9
- Filled-out invoice w/proof of rendered services attached (i.e., scans of filled out petition pages)

### **4) Invoice Required Fields**

---

- State or encumbrance petitioner is being paid for
- Name of the petitioner or vendor
- Payment information (e.g., ACH and mailing address)
- Compensation per signature based on contract (gross versus valid, if applicable)
- Number of signatures approved by BAC for payment
- Exact requested payment amount
- Signature of BAC Chair or their selected designee
- Signature of LNC Chair w/explicit written approval for disbursement

*All invoice-required fields must be filled out in full before payment is rendered.*

### **5) Required Criteria For Expenses Reimbursement**

---

- Signed contract w/full terms (between the petitioner/vendor and the LNC Chair)
- Current W-9
- Filled out itemized approved expenses sheet w/attached receipts

### **6) Expenses Sheet Required Fields**

---

- State or encumbrance petitioner is being reimbursed for

## LNC Policy Manual

### Appendices

---

- Name of the petitioner or firm
- Payment information (e.g., ACH and mailing address)
- Itemized approved expenses w/attached receipts
- Exact requested reimbursement amount
- Signature of BAC Chair or their selected designee
- Signature of LNC Chair w/explicit written approval for disbursement

*All expense sheet-required fields must be filled out in full before reimbursement is rendered.*

#### **7) Payment Communication (All)**

---

- Petitioner or firm contract specifics are drafted by EPCC or LNC Counsel based on BAC recommendations (contracts are subject to change based on state, hired help, need, etc.)
- Petitioner or vendor submits invoice or expense sheet to BAC Chair
- BAC Chair presents request to BAC
- BAC-approved invoices or expense sheet (w/attached documentation) go to LNC Chair for explicit approval and signature
- All approved and signed invoices and expense sheets go to the LNC Executive Director
- Payment method is at the discretion of the LNC Executive Director (for compliance purposes)

*At no time should any contractor or vendor contact the LNC Chair or LNC Executive Director directly requesting payment. All requests must be submitted to the BAC Chair. They will be the primary point of contact for payment.*

#### **8) Volunteers**

---

Due to the LNC's limited resources, volunteers are vital to the success of any ballot access drive. Any and all volunteers willing to assist should be encouraged and welcomed. That being said, it is in the best interest of all parties for volunteers to have expectations properly established from the beginning, to be properly trained, and to have the support they need from their main point of contact. Volunteers donate their time, energy, and sometimes money because they believe in the Party or the cause. They deserve honesty and direction.

Collecting signatures is difficult. Simply put, it's not for everyone. One has to be personable, engaging, outgoing, and, most importantly, be able to handle rejection, difficult people, and contentious situations. This should be made abundantly clear to anyone looking to volunteer. While this could theoretically discourage some seeking to volunteer, it is important to be honest about what they need to do and can expect. Few things are more demoralizing than finding out that the "job description" was inaccurate and far more difficult or different than what was initially relayed.

One way to prevent "volunteer fatigue," discouragement, or general burnout for current or future ballot access drives is to ensure that volunteers receive proper training (whether virtually or in person) from someone with proper experience before they begin. Trainers

## **LNC Policy Manual**

### **Appendices**

---

should have current and relevant experience and be able to share best practices, tips, tricks, and any pertinent information that would make the volunteer more likely to succeed. An often-looked-over method to keep volunteers engaged and motivated is support. Often times, issues or questions arise in the field that one may not have thought to ask initially. Additionally, every state is a bit different, which means that there could be different processes that were initially unknown. Whoever the primary point of contact is for a particular ballot access drive should be in constant communication with volunteers and be available to offer guidance and assistance for anything that may come up. Without a proper support network or some semblance of accountability, the volunteer may determine the endeavor to not be worth their time, do a poor job, or drop off all together.

#### **9) Training**

---

Solid training is vital for volunteers and internal contractors who may be new but are approved because they are promising prospects. Training should include, but not be limited to:

- Needed supplied
- Basic petition etiquette
- Best practices
- A list of counties in the state
- Acceptable high foot-traffic public places to collect signatures, private establishments willing to allow it in or on their property (especially in poor weather), laws and regulations surrounding petition signature gathering in certain areas
- How the petition forms are required to be filled out to make them valid signatures
- Providing a series of elevator pitches (which would vary based on whether they're speaking Democrats, Republicans, or Independents, etc.)
- Understanding the difference between soft and hard "nos"
- How the petition forms are required to be filled out to make them valid signatures
- How to validate signatures at the end of collection day
- The point of contact they should be providing signature numbers to at the end of a collection day
- How petition pages should be turned in, who they should be turned into, and how often they should be turned in

#### **10) Point of Contact**

---

Every ballot access drive should have one primary point of contact. This person should be the one coordinating the efforts on the ground, contacting the Secretary of State, in charge of collecting all of the signatures, double-checking their validity, and submitting the physical petitions to the Secretary of State before the deadline. Furthermore, they should be tasked with keeping daily track of the gross and valid signatures for that drive and serving as the primary source of support for all volunteers and paid petitioners. This person should be the State Chair for that affiliate, or whoever they designate.

#### **11) Contracts**

---

Petitioner/Vendor contracts should contain, at a minimum, the following:

## LNC Policy Manual

### Appendices

---

- General terms
- Payment per gross signature (if applicable)
- Payment per valid signature
- Reimbursement terms (if applicable): e.g., partial, full, etc.
- Reimbursement amount maximums (if applicable) including but not limited to, airport travel, flights, hotel room per night, food and beverage per day, rental car terms, and other necessary expenses as a direct result of the ballot access drive.
- A payment and reimbursement schedule
- Under what conditions the LNC can terminate the contract

#### **12) Signature Audits**

---

Signature validation should be done by both the petitioner and the primary point of contact to keep better track of the expected payment as well as the progress of the drive (as feasible per state).

Volunteers and paid petitioners should have access to Voter Gravity, L2, or some other method to validate their own signatures at the end of a collection day. This should additionally be verified by the primary point of contact for that respective drive to keep everyone honest and maximize accuracy. The latter should be done at least once a week to prevent a buildup.

#### **13) General Best Practices**

---

- An up-to-date list of volunteers should be kept on hand for every state affiliate requiring ballot access assistance. This will allow the BAC to reach out to state leadership or the volunteers directly and establish the expected level of commitment and signatures these volunteers are willing to provide, which will in turn allow the BAC to more accurately determine how much paid-outside help will be needed for any particular drive. Leadership and regular members of any respective affiliate requiring assistance should always be volunteers.
- When outside paid assistance is required, a variety of factors should be considered, including but not limited to experience, effectiveness, reputation, proximity, expediency, and personality (ability to work with or for others within their hired scope).
- The BAC Chair should be intimately familiar with the overall budget and particularly with its line item so that they may work within that budget.
- The BAC Chair should be in constant communication with the point of contact for any particular ballot access drive to determine as soon as possible whether additional or less assistance is required. This would help the LNC save money and would also prevent having to work ballot access drives up to the “11th hour,” which could result in stress and potential failure.
- Given the LNC’s limited resources, priority should be given to ballot access drives that are the likeliest to be successful given its parameters with the least amount of money and a strong point of contact and committee volunteers (i.e., help those who help themselves). Spending money in short supply on drives where local leadership is doing nothing and is likely to fail even with LNC assistance just for the sake of optics is fiscally irresponsible.

---

The BAC Chair working with LNC Counsel, state leadership and the point of contact, should work on making formal requests to private businesses at the beginning of a ballot access drive, which would allow petitioners to collect signatures inside private businesses. This is particularly important in areas with unpredictable or suboptimal weather. Asks should also be made of indoor public spaces where possible. Recommendations on places with high foot traffic that should be targeted should be made by the State Chair, local leadership of the point of contact. A full list should be provided to volunteers upon confirmation and should be kept and updated for future use.
